

Feb 7 Monday

- 1 -

- - Print out shot cards
 - Keep notes!
 - Look @ examples for bracketing

Look into Robert Adams (Conservationist)
" Fred Archer (helped develop Zone Syst)
" Ansel Adams

- Check out wikipedia Zone System
(Very good)

- Spend time in review of all your photos Analyze

- - Launch ^{ADOBE} Bridge to view photos
Use the menu to navigate
in windows select Folders Panel
work flows metadata "
Preview "

menu - window - workspace - Essentials

- BUY PHOTOSHOP!

- does not degrade files
- Go to file, - get photos from camera
- View menu -

- - Practice using 1/2 steps in P mode
looking for middle grade values
Bracketing

Look for Exposure Compens^{tion} value

Feb 7

- 2 -

○ - Look for AEB Auto Expos. Bracketing
in camera

- Practice locking exposure
" Focus

1. Frame photo

2. lock on a value

3. take same shot

(BRACKETING)
